

Maharshi Rathod

Houston, Texas | (281) 917-0552 | msmjerome@tamu.edu | www.linkedin.com/in/maharshirathod

EDUCATION

Texas A&M University, College of Engineering
Bachelor of Science in Computer Science
GPA: 3.75/4.00

College Station, Texas
May 2024

EXPERIENCE

Marathon Petroleum Corporation
IT Audit Intern

San Antonio, Texas
May 2022 – August 2022

- Analyzed domain admins for enterprise level change of management while improving Sarbanes-Oxley walkthrough turnover by 15%
- Audited over 45 financial controls for the merging of the 2 biggest refineries in the U.S while working with senior management to review multi-million-dollar transactions
- Won companywide hackathon by creating an app that extrapolated data from PowerBI and ranked components based off KPI metrics. Data was then transferred to PowerApps where we combined Microsoft single-sign-on to create a secure gamified app which shows Marathon's leading Project Manager's overall team and project progress

Havani Beauty LLC

Chief Financial Officer, Founder

Houston, Texas
December 2020 - April 2022

- Founded company with 3 associates dealing in sales and marketing of imported Faux Mink Lashes to enter the e-commerce beauty sector, offering quality lashes for half the price to promote consumer spending
- Utilized detail-oriented time management skills to balance business of 7 clients and full student workload to ensure optimal business growth and continued academic success
- Administer cloud-based management system for company logistics, financials, and managerial operations

TAMU Hack

Project Lead

College Station, Texas
January 2022

- Created a virtual financier app which provided in depth support for budgeting of common households and businesses
- Modeled comparison between User's monthly expenses and U.S National Averages to show the trends in budgeting techniques and output suggestions to better financial literacy
- Incorporated Chase analytics to increase User accuracy by 35%

LEADERSHIP

BAPS

Youth Activities Lead

Houston, Texas
February 2018 - Present

- Guided over 300 youth to achieve better academic, ethical, personal, and spiritual development through weekly classes and organized events; shared personal experiences and insight
- Organized Walkathons grossing over \$100K for charity proceeds towards cancer research and environmental safety by working with City Hall and BAPS Charities to raise funds throughout the greater Houston area

STEM to Stocks

Finance Mentee

College Station, Texas
August 2021 – August 2022

- Engaged in workshops to further business skills such as networking, ethics, and business etiquette
- Gained knowledge and insight into the integration between engineering and business on a macroscopic level and industry roles and functions available in the finance sector
